HARVARD.

THE VISIT OF PROFESSOR HENRY DRUMMOND. Cambridge, Mass., April 16 (Special).-The faculty visit to this country to give every member of the university an opportunity to hear the great man speak. Professor Drummond began his work here this evening by preaching to a congregation which filled to overflowing Appleton Chapei. On Sunday next he will deliver another sermon. Durfig the week, how will deliver on Monday and Thursday evenings, Professor Drummond will talk privately to the students in Boylston Hall. Four addresses within one week is only an unusual compliment to Professor Drum mend from Harvard, for it is doubtful if a parallel case can be found in the history of the college, but it is an opportunity which the students are fortunate

The Harvard Tennis Association founded two years ago the first Interscholastic Tennis League in the United Nearly all of the important preparatory schools within a radius of fifty or seventy miles sent delegates. The plan was entirely successful in bringing into notice the local players of merit. Yale, princeton and Columbia have this year taken up the idea and formed similar associations. Harvard is at present arranging for its third tournament, the sinner of which will receive a handsome gold medal, and the school scoring the most points an appropriate banner. The most important step, however, the decision to invite the winners of the Yale, Irinceton and Columbia Interscholastic tournaments to meet in Newport this summer to fight out the cham pionship among them.

The freshman nine is gradually getting into a con dition from which one can form some idea of its probable strength. The candidates have been reuced to eleven: Henry, who has had experience er in Sing Sing; O'Malley, catcher for the Boston Latin School nine last year; Morton, Kingsbury and Keefe, prominent pitchers from local acad y and Keefe, prominent pitchers from local acadese; Fuller, formerly first base on the Dalzelle; Worcester and Hayes, Winslow, Brown, Haine Gonterman. The material is above the average that the particularly in its batteries; Worden, a substitution of the later of the property of the pitchers. Brown, captain of the last is Exeter nine, is captain. In less than two kes, on April 29, the first game with the Prince-freshmen will be played. Two games with a have been arranged, since the Yale freshmen this spring forbidden by their faculty from indig in intercollegiate games with either Prince-or Harvard.

are this spring forbidden by their faculty from industing in intercollegiate games with either Princetion or Harvard.

The Columbia College Chess Club has sent a letter to the Harvard Chess Club accepting the challenge recently sent for the intercollegiate challengechess cup. The tournament will be held next
Christmas in New-York.

Ithaca, N. Y., April 16 (Special).-One of the most enthusiastic meetings in the history of Cornell athletics was held on Wednesday noon in answer to a call for a mass-meeting of the freshman class to decide as to what should be done with the crew, President Schurman and Professor Wheeler were the lend-Commodore Hagerman presented the situation and stated that \$1,000 would be necessary to enable the freshman crew to row Columbia. Over 8500 was raised on the spot. Charles E. Courtney, Cornell's great coach. Is to go to California in Jun crews at Leland Stanford Junior University and at the University of California. He state positively, however, that this is only a summer trip and that he will retain his connection with Cornell.

A mass-meeting in regard to formulating a plan for improving the tone in regard to examinations, held on fonday, was attended by a large number of students ueeting of the student body at which a resolution should be introduced, and if possible, passed, which should require every student to make and sign at the end of his examination paper the following statement : I have not given or received any aid during this examination." It was further provided that a plan of student self-government should be proposed at the general mass-meeting, the essential element of which is a student court to have final jurisdiction in all cases of fraud in examinations; the president of the university to preside over this court and have absolute power of veto. A letter was read from the secof the faculty giving assurance of the hearty sympathy and co-operation of that body in the move-

The plans for the addition to Sibley College, for which Hiram W. Sibley, of Rochester, gave \$50,000 at the last meeting of the Board of Trustees, are aiready completed, and work will be begun at the earliest possible moment. The new building will be practically an exact duplicate of the present main practically an exact duplicate of the present main structure, and will be located just to the west of and on the same line with it. Architect Osborne has completed the plan for the extension of Sibley College, by joining these two wings by a large central hall crowned with a lofty dome, and by the erection of pavilions at the eastern and western extremities. This plan it is hoped ultimately to realize, and all additions will be elected in accordance with it. When completed it will give the main facade of Sibley College a total length of 450 feet, and provide accommodations for 1,000 students. The completion of the provide accommodations for 1,000 students. The completion of the completion of the last of which only those who have made most progress in their gymnastic work will be admit to pavilions for 1,000 students. andons for 1,000 students. The completion of the part new undertaken will provide ample accommodations for from four to six hundred. The building, it is hoped, will be ready for occupancy a year from next september. Meantime Sibley Collecte professors will continue to work under very unfavorable conditions as regards space and accommodation.

Hanover, N. H., April 16 (Special).-The Mary Hitchcock Memorial Hospital, given to the college by fliram Hitchcock, of New-York, is now receiving its finishing touches, and will be dedicated the first week

The trustees of the college have engaged Mr. C. A. Rich, '75, a prominent New-York architect, to make surveys and report a comprehensive plan for the location of future college buildings. It is under-stood that the present authorities prefer extension stood that the present a rather than toward the re-toward the new hospital, rather than toward the re-cently vacated grounds of the State college. Though few decisive steps have as yet been taken in regard to the new buildings it may be stated that the first to be erected will be a chemical laboratory. The location and architectural details have not yet been decided upon, but it will fill a long felt want in this department. Butterfield Hull is soon to be built and will probably occupy the corner lot where the Rood House now stands.

Brunswick, N. J., April 16 (Special),-The college musical association will on April 21 give a com-bined minstrel and farce-comedy production in the New-Brunswick Opera House under the control of the

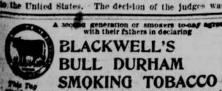

The seriors have decided not to fill the position of class-day poet, recently made vacant by the death of one of their classmates, Paul W. Geyer, of New-York. The class has elected Louis H. Mettler as class-day orator.

VASSAR. Poughkeepsie, April 16 (Special).—The new library odding, the gift of F. F. Thompson, is completed and is now in use. It is three stories high, and is of red brick, with gray stone trimmings. Part of the ground floor is taken up with a wide porter othere, from which doors open into the loggia. This bis a wide wainscoting of gray marble, and at each side begin wide staircases of mottled reddish marble, with marble balustrades. The stairs lead to the doors of the main entrance hall of the college of the right, and at the left are the library doors. library itself occupies two floors, with a wide open space through the middle, and extending to the cell-ing. At each side are the book-shelves, with long calk tables in the alcoves between them. The second floor or the gallery is reached by three from stair-cases, and here the arrangement of book-shelves and tables corresponds exactly with that of those below. The wood fluish of the library is oak. The walls are tinted a delicate green and the ceiling cream color. The building is heated by steam and lighted by gas.

BOSTON UNIVERSITY.

Boston, April 16 (Special).-The trouble between the different departments of Boston University in regard to athletic matters has been amicably adjusted, and all the departments will unite in support of the regular University Association, of which Will F. Rogers, C. L. A., '94, is president. Candidates for positions on the baseball team are numerous, and here is every reason to expect a brilliant record from

The Debating Club of the College of Liberal Arts has recently held joint debates with the debating clubs of the Boston Young Men's Christian Association and he Emerson College of Oratory. On the former oc-casion the college was represented by Edwin E. Heck-bert, John H. Fuller and Christopher R. Hamilin, who ated the desirability of the annexation of Canada

in favor of the Y. M. C. A. representatives, both as to substance and delivery. In the second debate, however, the college representatives, Miss Elizabeth C. Northup, Edwin L. Noble and Andrew Campbell were successful, defeating the Emerson College representatives upon the question of the use of the Common for business purposes, which was supported by the latter and opposed by the college speakers.

EVELYN.

Princeton, April 16 (Special).—A musicale for the benefit of the Evelyn College scholarship fund was given, under the direction of the class of '93, at programme was an interesting one, and the audience was composed of many of the most influential people in Newark. The concert was followed by a dance to which many of the young people of Newark society were invited. The class of '93 have been untiring association to raise money for increasing the fund already devoted to that purpose. The musicale on Thursday evening was in great part a repetition of one given in Princeton on March 2, and the association has been much gratified at receiving, in addition to the proceeds of the concerts, a number of subscriptions from friends of the college, both in Princeton and Newark.

WESLEYAN UNIVERSITY.

Middletown, Conn., April 16 (Special).-The plan of college government, in which the undergraduates are admitted to a share, has been definitely framed by the faculty. Four seniors, three juniors, two sophomore. and one freshman will be associated with not mor than five nor less than three members of the faculty in discipline, athletic management, etc., to the faculty for

The baseball team is playing good ball, having wor all three games played. It has been impossible to play three games scheduled on the home grounds On Thursday Fordham was defeated 13-5. This week the team leaves town to play the following game April 21, Columbia; April 22, Princeton; April 24, Fenn-ylvania. Steele, '94, has been elected treasurer of the association, in place of Johnson, '94, resigned.

Brunswi k, Me., April 16 (Special).-Seniors are busy preparing essays for the Goodwin commencement prize which are due May 15. The following are the ten selected as competitors: Frank R. Arnold, Weston P. Chamberlain, George S. Chapin, Milton S. Clifford, Charles H. Howard, Arthur S. Haggett, Albert S. Hutchinson, John S. May, John H. Pierce, Charles H.

WELLESLEY.

Wellesley, Mass., April 16 (Special).-The new curriculum, as described in a recent number of The Tribune, has been received with great enthusiasm by The changes affect principally th In response to a petition from the sophomores, however, a recent vote of the Academic Council puts this class also upon the new curriculum. A bicycle club has been formed, and there is some talk of bowling and cricket. All the crews are in practice in the gymnasium, under supervision of Mis-Hill, director of the gymnasium.

THE WOMAN'S COLLEGE.

Baltimore, April 16 (Special).-The exercises in the gymnasium came to a close on Thursday afternoon when an exhibition was given by the classes in th measurements of every student will now be taken, in order to estimate exactly the benefit gained during the year from these exercises. The rest of the tern will be given to swimming, tennis and archery, to most progress in their gymnastic work will be admitt d. go abroad the 1st of May, and will spend the mer in special work at the University of Zurich.

Hackettstown, N. J., April 16 (Special).-President Whitney attended the annual meeting of the trustees at Jersey City on April 6. He also presented before the Newark Conference there convened a gratifying report as to the prosperity of the institution. Commencement honors have been awarded in the senior lass, consisting of turty-two members, to the Alling, Miss Harriet Burr, Miss Bertha S. S. Collins Miss Lilian March, Miss May Newton, Miss Eva J. Wade; Howard Van Deusen, Latin and salutatorian; W. J. Calyer, George J. Ferry, Jr., James H. Lewis, Evan Tamblyn.

UNIVERSITY OF PENNSYLVANIA.

Philadelphia, April 16 (Special).—The alumni so cieties of all departments of the university united in their annual dinner Saturday evening. The dinner was held in the library building, which was handsomely decorated. This is the second annual dinner given by the alumni societies, and the great increas members at this second dinner shows that the alumni are not behind in the general awakening of interest in the university. About 250 of the mosenthusiastic of the alumni and former students

The first public sophomore declamation contest was held in the college chapel on Thursday. Here tofore the contests have been private, and excited but little attention. The prize offered is \$15, given by the faculty for the best declamation given by a ember of the sophomore class. The judges were Professors Thospe, Cheyney and Lamberton. The prize was awarded to Mr. Dippell, who rendered a prize was awarded to Mr. Dippell, who relatered pathetic piece entitled "Pat Connors." Honorable mention was made of Mr. Hanna. The contestants were Cuthbert. Atmore, Dippell, Matsumota, Matthews, Hanna, Harold and Jacobs. The Junior oration contest is also to be public, the trial taking place in about two weeks.

Bethlehem, Penn., April 16 (special).-The exhibit for the World's Fair is now in preparation. It will consist of drawings by the four schools of engineer ing, chemical products and specimens by the organic department of the school of chemistry, also photo graphs of the buildings, museums and lecture-rooms by the department of photography of the school. The exhibit represents the work done at Lehigh every year.

UNIVERSITY OF ROCHESTER.

Rochester, April 16 (Special).—In the third and final game of the indoor football series between the univer-sity lads and the Genessee Bleycle Club team, played at Washington Rink on Friday evening, the students were the victors by a score of 16 to 0. Three of th four touchdowns were credited to Winans and one to Paul A. Meyer acted as umpire, and Charles E. Bostwick as referee. The university team wins the series, having been victorious in two of the three ames. The other was a tie. Efforts are being made to arrarge another series.

Dr. E. B. Angell and David Hays were re-elected trustees of the Delta Upsilon Club at the annual meeting on Monday evenleg.

THE UNIVERSITY OF MICHGAN.

Ann Arbor, Mich., April 16 (Special),—The University of Michigan won the first intercollectate debate against the University of Wisconsin, the first intercollegiate debate of any consequence in the West. The markings of the judges were close, but the decision was unanimous for Michigan. The de-baters for Michigan were C. T. Purdy, '96; A. W. baters for Menigan were C. I. Purdy, '96; A. W. Jefferis. '93 law, and I. B. Lipson, '94; for Wisconsin, J. F. Griffin, J. J. Blake and J. T. Lindley The judges were Judge Henry M. Shepard, of Chicago; Superintendent H. W. Compton, of Toledo, and John D. Conely, of Detroit, Ex-Congressman E. P. Allen, of Michigan, presided over the debate and President Augell made the welcoming speech, After the debate President and Mrs. Angell tendered a reception to the presiding officer, judges and de-

formed a permanent debating league.

The calendar for 1892-93 will be out in a weel or ten days. A new chapter on the "graduate school" is introduced. The calendar shows that the library has increased 4.642 volumes this year. The total number of students is 2.788, which places the university next to Harvard, instead of ahead, as in previous years. This number is divided among the departments as follows: Literary, 1.491; medical, 244; law, 6.99; pharmacy, 82; homocopathic, 63; dental, 18. The amouncement is made that Charles Dadley Warner will deliver the commencement oration.

Amherst, Mass., April 16 (Special).- The interior of North College has been entirely torn out and the building will be refitted, to be similar to the South Steam heat will be introduced, and a omplete system of hot and cold water pipes run through the building. The rooms will be ready for occupancy next September.

field, under the supervision of Captain Stearns. The infield is one of the strongest Amberst has ever had, and the lattery is deing good work. Colloy pitching a fine game and Allen holding him well. The outfield, however, is weak and shows the loss of Gould and Cheney. The latter may be able to play with the nine later in the season.

LAFAYETTEA

Easton, Penn., April 16 (Special).-President Warfield has resumed his classes in political economy. He spoke in the college chapel this afternoon or "He That Overcometh."

The chapter of the Delta Tau Delta here has surrendered its charter. It was organized in 1874 and had thirteen resident members in this city.

SYRACUSE UNIVERSITY.

Syracuse, N. Y., April 16 (Special).—Professor William Mace, who has been prominent in university extension circles, has been invited to deliver a series of lectures on the American and British constitutions before the University of Cambridge, England. will sail early in August next. Dr. W. P. Coddington has been elected vice-president of the World' Fair Psychological Educational Congress, to be held in Chicago next September. Dr. Hargett will sail early next summer for Naples, where he has been tendered the use of the American biological table. Major Davis, of Syracuse, has kindly offered to bear the entire expense. Professor Emens was recently elected a member of the Council for the Promotion of Heilendstic Studies, of London, England.

College Hill, Mass., April 16 (Special).-The base ball season opened on the home grounds last Monday, when Tufts defeated Boston University by a score of 3 to 0. On Wednesday the Tufts team was defeated at Andover by a score of 3 to 1. Pierce and Foss

Hamilton, N. Y., April 16 (special.-The ball feams now at work in earnest. "Doc" Kennedy, who for at least two weeks. The team has been organized pitchers, Leete and F. Munro; catchers, P. Munro and Ford; first base, Risley; second, Leele; third, F. Smith; right field, Briggs; centre, Brown; left, Sargeant.

The annual lectures on "The Relations of Science and Religion," founded by the inte Professor Watter R. Brooks, were delivered Thursday and Friday evenings by Professor G. Frederick Wright, Lt. D., of Oberlin, Ohio. Professor Wright spoke on "The Antiquity of Man."

UNIVERSITY OF VERMONT. Burlington, Vt., April 16 (Special).—On Saturday rening occurred the first of a series of fortnightly meetings of the Phi Beta Kappa Society, to be held the evening was "The Oxford College," by President Buckham, who spent has summer at Oxford. The lecture was illustrated by a series of photographic

PENNINGTON.

Fennington, N. J., April 16 (Special).-Professor John Pullman, who has lind charge of the Greek depart nent for the last year, has left the seminary. This vacancy has been filled by Professor Thomas Hanlon Vikinson, of Columbia College, New-York.

Gettysburg, Penn., April 76 (Speci-I).—Pehlman, J. C. Nichelas, Diffenderfer, Guess and Kline expect to do general religious work in the State during the summer for the college Y. M. C. A. Grimes will labor in

President McKnight has sailed for a two months trip for the benefit of his health in Switzerland, Germany and France. Dr. Richard, of the seminary is back after a year's study in Germany.

THE UNIVERSITY OF CHICAGO.

Chicago, April 16 (Special) -The spring convoca tion of the university was attended by a large Chamberlin, head prefessor of geology and formerly president of the University of Wisconsin, delivered the address. The subject was the "Mission of the scientific Spirit." Twenty two new students were admitted, and scholarships were awarded to William E. Walling and A. T. Barnes.

President Harper announced in his quarterly statement that the Yerkes Observatory, with its fiftyinch objective glass, would be placed at Geneva Wis. Henry J. Furber, he further said, had promises to give \$1,500 a year for five years to be devoted to publishing scientific works in the department of political economy. An invitation was telegraphed that night to John D. Rockefeller to visit the school. Although Mr. Rockefeller has already given nearly \$4,000,000 to this institution he has never visited it. Professor Herrick Johnson, of this city, preached the

convocation sermon.

Professor Stagg is training the nine in Washington Park. He has reduced the number of men training in the team from thirty to nineteen, and will prob-ably select the team from this number some time this week.

Eryn Mawr, Penn., April 16 (Special).-On Tuesday evening George H. Putnam, of New-York, gave before the De Rebus Club his address on the "Beginning and Development of the Idea of Literary Property."

On Thursday afternoon the exhibition drill of the year's gymnasium work was held in the gymnasium. The record in vaulting, at four feet nine and a half, wa This beat the record of last year by two inchesrecord in running jump was made by Mi-s Nicholson, '95, and Miss Bowman, '96, and in rape climbing by Miss Maud Hopkins, '96, Miss Minor, '94, made the record in bleking, stateen inches above her head. The record for general excellence in gymnesium work was made by Miss Guildford, '94.

Providence, April 16 (Special) -At the senior or other liquors at the class banquet. The senior marshals elected are H. D. Hazeltine, F. N. Marvel and G. M. Chamberlain.

The Athletic Association has secured the services of Sandy McLean as trainer. He has at different times trained Amberst and Dartmouth teams.

OBERLIN. Oberlin, Ohlo, April 16 (special).—The university baseball team has begun outdoor work. The prospects are good for a successful season. The following are the players who will probably make up the team: Clancy, shortstop; Barnard. Voorhees and Jameson, pitchers; sherrill and Tidd, catchers; Harronn, Hicks and C. Fauber, first base; Williams, second base; Hart, third base; Regal, Bracken, L. | the College of the City of New-York; May 3, with

YALE.

BEGINNING FOOTBALL PRACTICE IN THE SPRING.

New-Haven, Conn., April 16 (Special).—At the annual meeting of the Yale University Lawn Tennis Association last evening the following officers were elected for the ensuing year: President, A. M. Pope,

'04; vice-president, Hewlett, '04, S.; secretary and treasurer, Fowler, '95.

The following is the list of the men who have been taken to the Mott Haven training field, together with the events they are practising: Sprints—A. H. Jones, '93; W. M. Richards, '95; middle distance, G. M. Laughlle, '95, S.; long distance, S. Scoville, '93; J. E. Morgan, '94; H. Chubb, '95, S. Hurdle-T. Eaton, '94; D. B. Lyman, '94. Pole-vault-O. G. Cartwright. '93; C. B. Rice, '94, S.; H. Thomas, '95. Hammer and shot-H. Cross, '96; A. Brown, '96; D. B. Lyman, W. O. Hikok, '95, S. High Jump-L. P. Sheldon, '96. Mile walk-J. E. Wright, '93, S. Bicycle-T.

R. Brewster, '94, S.
The Rev. Dr. Blackman, of Ithaca, N. Y., has been called to the professorship of sociology in the Yale Divinity School. Dr. Fairbanks, the present professor of sociology, will confine himself to the department of comparative religions.

The Yale Dramatic Club was organized a short time ago, and has been pra tising since, the faculty having given its permission. The play, which is to be pro-"Robin Hood," written by H. B. Perkins and Edward Boltwood, '92, and is full of clever local hits. The music has been selected by Thomas G. Shepard operas. All the men in the cast are prominent in the glee club. As far as settled, the parts will be taken as follows: Maid Marian, I. B. Laughlin: Sheriff of Nottingham, Noah H. Swayne, 2d; Robin Hood, A. L. Creed, '93; Policeman, N. W. Green, '94. The other parts will be taken by Messrs. Wade, Arbuthnot, Solley, Raymond, Perkins, Hill and Wade, Arbuthnot, Solley, Raymond, Perkins, Hill and Worthington. About twenty-live of the students compose the chorus, which is already well drilled. The rehearsals are under the direction of Napier Lothian. On Saturday Captain Frank Hinkey Issued a notice to his candidates for the positions behind the line in the football team requesting them to meet him and receive instructions in regard to some field work which it was his purpose to put the men through before the close of the present term. He explained to the backs present that the marked improvement in the scientific points of the game the last few years had made it impossible for players, especially the backs, to get themselves into the best possible condition after the opening of the fall term and before the big games. Accordingly drop-kicking, punting, passing and catching the ball will be undertaken by the corps of candidates who are eager to fill one of the three vacant places behind Yale's rush line. The first practice of the squad was taken yesterday afternoon. Captain Hinkey will be assisted in his coaching by ex-Captains McCornick and McClung, and possibly Ruil, the fullback of '88. No lining up will be done.

Princeton, April 16 (Special).-The officers of the Philadelphian Society for the ensuing year were elected last Saturday evening at the regular bush '64; vice-president, Cleveland Frame, '94; '94; Bbrarlans, W. F. Dety, '96, and P. A Chamberlain, '96; reading-room officer, C. E. Patton, '96; organist, Paul Erdman, '94; assistant organist. A. M. Sherman, '95. The treasur ance of \$612.72 in the treasury.

The arrangements of the Princeton exhibit at the World's Fair are about completed. The articles to be on exhibition are ready, and will be shipped the first week in May. Two cars will be used for the transportation. Through the efforts and interest of the Princeton alumni of Chicago suitable and com plete accommodations for the exhibit have been The place allotted is in the centre of the south gallery of the Liberal Arts Bullding, and commands a view of the entire building. Among the articles on exhibition will be the books written by members of the faculty and alumni, the noted paintthus from Nassau Hall of the presidents of the col-lege, a plaster-cast m del of the campus and college buildings, Professor Henry's apparatus, Franklin's crestificial (unchine, the original Fahrenheit ther seter, the magnetic thermometer used by Humboldt, Professor Guyot's thermometer and a repre

sentation of Pr. fessor Henry's idea which resulted in the Morse telegraph instrument. There will also be a representation of the Rittenhouse Planetarium in a case by Riedt. The college colors will be used for decration. Irving W. street, '92, will have charge of the exhibit.

The annual elections to the Colonial Club and the Ivy Inn were held a few days ago. They were as fellows: To the Johnial Club, J. S. Buntinz, Charles Shnikkson, J. D. Newbold, J. W. Ford, L. T. Williams Frank Murphy, H. L. Hodge, Bertram Polse, C. B. Lewis, W. P. Harvey, Charles Curlis, and Samuel Howe; to the Ivy Inn, James Blair, charles Payne, J. S. Otto, W. C. Nell, J. W. Becker, A. L. Wheeler, J. C. Harding, H. H. Brady, H. L. Crawford, H. F. McCormick, S. R. McCormick, T. F. Furness, Lawrence Edddle and Charles Hlingworth. All these men are from the sephomore class.

UNION.

Schenectady, April 16 (Special).—The following seniors have been selected for the commencement stages E. M. Burke, Clowe, Cooper, Esseltyn, Hoxle, Hughes Merchant, Morey, Roy, Van Alstyne. Men are choset or the basis of their marks for the entire course, and the above ten men stand highest in the class. The Christian Association has elected the following officers: Freedent, Sloat: vice-president, Potter: secretary, Collins; treasurer, Van Duzen.

HAVERFORD.

Haverford, April 16 (Special).-On Monday evening April 10, an entertainment under the management of the sophomore class for the benefit of the football nished by the several college clubs, and a farce called Express" was presented, P. S. Williams, '94; W. W Comfort, '94, and Samuel Lettle, jr., 95, taking the

The annual "Junior Exercises" were held Thursday evening, April 13. The speakers were W. W. Com-fort, O. M. Chase, H. W. Scarhorough, H. S. Conard and G. A. Beyerle. After the speaking "94 held a re-ception for their ariends in Founders' Hall.

Williamstown, April 16 (Special).-The work of the baseball team has been encouraging during the last week. The first practise game of the season wideh was played on Wednesday with the Black ington team, resulted in a score of 18-17 in Black ington's favor, but the Williams material showed up much be ter than at this time last year. Safford, '84, one of the members of the Alumni Advisory Commit-

tce, has been coaching the team during the week.

An enthusiastic college meeting was held on Thursday evening, in the interest of athletics and other affairs of general college interest, at which I. McD. Garfield, '93, presided. Professors Spring and Russell spoke, followed by several of the students. A committee consisting of Mills and Greene, '93, Sawtelle, '94, Perkins, '95, and Clarke, '96, was apprinted to take charge of the college "sings" this term, and to provide a sultable collection of Williams songs.

Geneva, N. Y., April 16 (Special).-The Rev. Francis L. H. Pott, of St. John's College, Shanghal, China, addressed the members of St. John's Guild of Hobart last evening on characteristic features of their special

work as a guild.

The college annual, "The Echo of the Seneca," has appeared. It reflects credit on the junior class, under whose editorial charge it is issued. It is bound with beveiled boards in parchment linen, and is printed on heavy enamelled paper. In the abundance and excellence of its illustrations it is an advance upon any previous "Echo," The original engravings, of which there are nineteen, are noticeably well drawn. The reading matter is interesting, and an unusually large portion is in verse, much of which is as clever as it is interesting.

Baltimore, April 16 (Special).-The Johns Hopkins University Lacrosse Team will again try to win the pennant of the Intercollegiate Lacrosse Association. The candidates for the team have been in training for several months. The players will probably be assigned as fellows: Goal, A. L. Reese; point, Captain T. D. Penniman; cover point, Frank Cameron first defence, Stearns; second defence, Crenshaw third defence, Dawson or Baer; centre, T. Cameron; third attack, Crampton; second attack, Roszel; first attack, Janney; out-home, W. Stuart Symington, Jr.; in-home. Paintzy. The make-up of the team that will play the games for the championship will not be announced until the day before the meeting. Manager Charles W. Baldwin, who handles the stick cleverly himself, intends to give a number of new players a chance to show what they can do during the next week, and several of them will be selected as reserve players. The schedule of games for the spring season is as follows: At home-April 29, with

Club of the Schuylkill Navy, at Philadelphia.

Professor Barnard, of the Lick Observatory, famous as the discoverer of the fifth satellite of Jupiter, lectured before the sc entific association of the university last week on "Astronomical Photographs." He was prevailed upon to say a few words in reference to his discovery of Jupiter's fifth satellite. "This is the first time." he sad, "that I have ever spoken of my discovery before a public body. I have been making observations of Jupiter for fourteen years, and know less about that planet now than what it was supposed scientists knew about it at the time I made my first observation." He then told how he came to make the discovery, and concluded by stating that the importance of the discovery lies in the fact that by means of it the velocity with which light travels may be more definitely determined.

HAMILTON.

Clinton, N. Y., April 16 (special),-By a new regulation of the faculty, at the option of professors, students in the upper classes having a term standing of 8 will be excused from examinations.

IN THE LOCAL COLLEGES.

COLUMBIA COLLEGE AFFAIRS.

Arrangements have been completed, whereby the Rev. Dr. Alfred Barry, the canon of Windsor, will deliver the baccalaureate sermon before the students of the graduating class of Columbia College on Sunday evening, June 11. Bishop Barry, who was formerly Bishop of Sydney and Primate of Australia, is now the preacher to Queen Victoria, and he will come to America especially to preach the baccalaureate sermon at Columbia College.

class games at Williamsbridge on Saturday, April 29. The contests bld fair to be close and consequently The Committee of Arrangements consists of Street, '95, Arts; Sturgis, '95, Mines; Stout, '95, Arts Pell, '95, Mines; Bacon, '96, Arts; Chataine, '96, Mines; Shoup, '96, Arts, and Bird, '96, Mines.

A committee of the alumni of the School of Law has prepared an elaborate directory of the Law School, which contains a list of the graduates and their ad-

nittee, consisting of Professor John Howard Van Amringe, the secretary of the faculty of the School of Arts, and John B. Pine, the clerk of the board, to prepare a new edition of the general catalogue of officers and alumni, to be issued in 1894. The

officers and alumni, to be issued in 1894. The assistance of all of the alumni is urgently desired to
make the work of value.

It has been decided to hold the class crew races on
the Harlem River on Saturday afternoon, May 13.
The course is to be one mile, from below Madison
Avenue Bridge to the Macomb's Dam Bridge.

A large part of the Columbia College exhibit for
the World's Fair has been already shipped. The
Columbia College musical clubs will give a joint concert with the Cornell University musical clubs in the
Madison Square Garden Concert Hall, on the evening
of April 28.

THE UNIVERSITY LIBRARY ADDITIONS. Twenty-two cases were shipped by the University

of the City of New-York to the Chicago Fair on Friday. A further con ignment is to follow. An invited reception to the opening of the De Lagarde Library will be given in the university on saturday, April 29, from 8 until 11 o'clock. An address on Dr. De Lagarde will be made by Professor

will be given of some noteworthy articles of the university's Chicago exhibit.

The regular Founder's Day exercises will be held n the university chapel, to morrow morning, at 11 A beautiful addition to the library has been made A beautiful addition to the Alexan S. Hewlitt, consisting of about 300 volumes in the Turkish language, the gift of the Sultan to Mr. Hewlitt. It is supposed to comprise copies of all the books published under the reign of the Sultan. It has come o the university through Professor Prince. books are in full morocco of bright red, heavily gilded,

and many contain interesting illustrations, and many contain interesting illustrations.

The Le Clere sentor scholarships, founded in 1890 by the pupils of Miss Louise Henriette Le Clere, were awarded at the last meeting of the faculty of the School of Pedagogy to Andrew Thomas Smith, of Pennsylvania; Andrew J. Kinnaman, of Indiana; Yarr E. Coffin, of New-Jersey; Hannab W. Neuman and Isabel Camp, of Brooklyn, N. Y. The School of Pedagogy sends with the university exhibit to Chicago an interesting series of charts, to be exhibited in wing frames, illustrating the work done in the five courses of study offered by the school.

UNION SEMINARY NEWS.

The students of Union Theological Seminary are ooling forward to their summer's work. The seniors are busy getting ready for presbytery examinations or for the graduation. The fifty-sixth anniversary, with the graduation exercises, will be held in the Adams Chapel on Tuesday, May 16. About forty young athlisters will be graduated. In the evening of May 16 the annual meeting of the society of the associated dumnt of the seminary will be held.

Six members of the sentor class were examined before the New-York Presbytery last week-William R. Bennett, Nathan D. Hynson, Aldrich Koctan, Edward J. Lloyd, Thornton B. Penfield and Arthur Spaulding. All of them passed the examinations successfully, and will be licensed by the New-York Presbytery at a meeting held in the seminary chapel on Menday evening, May 1. Mr. Bennett, Mr. Kocian, year, will probably be ordained at the same time.

At the commencement exercises the following mempers of the class will speak: Albert J. Alexander, Thomas.

The Rev. Robert F. Horton, of London, who is at present visiting this country, delivering the Lyman Reccher lectures at Yale, is to address the students of the seminary and their friends in the Adams Chapel, No. 700 Park-ave., at 11:30 this morning on "Church Life in England."

HE PAINTED HIS FACE AND NOT THE TOWN. Patrolman Martin Hannify, of the Sixty-eighth-st. talk well-dressed young fellow with his face and the Boulevard and Seventy-ninth-st. He arrested him as a suspicious person. A number of dime novels were found in his possession. When arraigned in the Yorkville Court yesterday morning, the young man had succeeded in removing only a part of the burnt cork from his features, and presented a lutierous ap-pearance. He told Justice McMahon that his name was Louis Foye, sixteen years old, of No. 103 West Seventy-ninth-st., a schoolboy. He and blackened

Spring Suits.

Elegant styles and patterns-new -off from the ordinary.

You'd look a good while for their equals, especially at the price, \$12 to \$24-price is always important with us. No matter how fine the goods or how fine the workmanship, the price is always as low if not lower than the ordinary.

E. O. THOMPSON,

245 Broadway, Corner of Murray Street.

Don't Hesitate.

When you go to buy a bottle of CARTER'S LITTLE LIVER PILLS, don't hesitate to say you want "C-A-R-T.E.R.'S"-don't hesitate to see that you get "C-A-R-T.E.R.'S." and don't hesitate to refuse anything offered to you as "same as "C-A-R-T-E-R-'S" or "just as good 18 "C.A.R.T.E.R.'S." THEY NEVER FAIL. Doc's HESITATE to demand the genuine CARTER'S LITILE LIVER PILLS.

A POSITIVE CURE FOR SICK HEADACH Small Pill. Small Dose. Small Price.
